Review report to the Board of Directors of Dynamatic Technologies Limited

We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of Dynamatic Technologies Limited ('the Company') and its subsidiaries as detailed in note 1 of the Statement (collectively referred to as 'the Dynamatic Group') for the quarter ended 30 June 2016, attached herewith, being submitted by the Company pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 10 August 2016. Our responsibility is to issue a report on the Statement based on our review. Attention is drawn to the fact that the figures for the quarter ended 31 March 2016 as reported in the Statement are the balancing figures between the audited figures in respect of the full financial year ended 31 March 2016 and the published year to date figures upto the end of the third quarter of the financial year. Also, the figures upto the end of the third quarter has only been reviewed and not subjected to audit.

We conducted our review in accordance with the Standard on Review Engagements ('SRE') 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We did not review the unaudited financial results of six subsidiaries which have been incorporated in the Statement. These subsidiaries account for 68.22% of aggregate of total income from operations (net) and other income, as shown in the Statement for the quarter ended 30 June 2016 respectively. Of the above:

a. The unaudited financial results of four subsidiaries incorporated outside India as drawn up in accordance with the generally accepted accounting principles of the respective countries ('the local GAAP') have been reviewed by other auditors duly qualified to act as auditors in those countries. These subsidiaries account for 67.99% of aggregate of total income from operations (net) and other income for the quarter ended 30 June 2016, as shown in Statement. For the purposes of preparation of the Statement, the aforesaid local GAAP financial results have been restated by the Management of the said entities so that they conform to the generally accepted accounting principles in India. This has been done on the basis of a reporting package prepared by the Company which covers accounting and disclosure requirements applicable to the Statement under the generally accepted accounting principles in India. The reporting packages made for this purpose have been reviewed by other auditors and reports for consolidation purpose of those other auditors have been furnished to us. Our opinion on the Statement, insofar as it relates to these entities, is based solely on the aforesaid review reports of those other auditors.

J.

b. The unaudited financial results of remaining two subsidiaries (incorporated inside and outside India) have not been subjected to review either by us or by other auditors, and therefore, the unaudited financial results for the quarter ended 30 June 2016 of these entities have been furnished to us by the Management. These subsidiaries account for 0.23% of aggregate of total income from operations (net) and other income for the quarter ended 30 June 2016, as shown in the Statement, and therefore, is not material to the Statement, either individually or in aggregate.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited consolidated financial results for the quarter ended 30 June 2016 prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
