Review report to the Board of Directors of Dynamatic Technologies Limited

- 1. We have reviewed the accompanying statement of consolidated unaudited financial results ("the Statement") of Dynamatic Technologies Limited ("the Company") its subsidiaries and an associate as detailed in note 1 of the Statement, (collectively referred to as 'Dynamatic Group') for the quarter and six months ended 30 September 2015, attached herewith, being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreement issued by the Securities and Exchange Board of India ("Listing Agreement") except for the disclosures regarding 'Public Shareholding' and 'Promoters and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been reviewed by us. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 14 November 2015. Our responsibility is to issue a report on this Statement based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagements ('SRE') 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. We did not review the unaudited financial results of certain subsidiaries and an associate which have been incorporated in the Statement. These subsidiaries and the associate account for 40.44% of the total assets as at 30 September 2015 and 69.89% and 71.22% of aggregate of total income from operations (net) and other income as shown in the Statement for the quarter and six months ended 30 September 2015 respectively. Of the above:
 - a) The unaudited financial results of some of the subsidiaries incorporated outside India as drawn up in accordance with the generally accepted accounting principles of the respective countries ('the local GAAP') have been reviewed by other auditors duly qualified to act as auditors in those countries. These subsidiaries account for 39.84% of total assets as at 30 September 2015 and 69.89% and 71.22% of aggregate of total income from operations (net) and other income for the quarter and six month ended 30 September 2015 respectively, as shown in the Statement. For the purposes of preparation of the Statement, the aforesaid local GAAP financial results have been restated by the Management of the said entities so that they conform to the generally accepted accounting principles in India. This has been done on the basis of a reporting package prepared by the Company which covers accounting and disclosure requirements applicable to the Statement under the generally accepted accounting principles in India. The reporting packages made for this purpose have been reviewed by other auditors and reports of those other auditors have been furnished to us. Our opinion on the Statement, insofar as it relates to these entities, is based solely on the aforesaid review reports of those other auditors.\

- b) The unaudited financial results of certain subsidiaries and an associate have not been subjected to review either by us or other auditors, and therefore, the unaudited financial results for the quarter and six months period ended 30 September 2015 of these entities have been furnished to us by the Management. These subsidiaries and the associate account for 0.60 % of the total assets as at 30 September 2015, as shown in the Statement, and therefore, are not material to the Statement, either individually or in aggregate.
- 4. Based on our review conducted as explained in paragraphs 1 and 2 and on consideration of reports of other auditors explained in the paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement for the quarter and six months ended 30 September 2015, prepared in accordance with applicable Accounting Standards and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Review report to the Board of Directors of Dynamatic Technologies Limited

We have reviewed the accompanying statement of unaudited financial results ("the Statement") of Dynamatic Technologies Limited ("the Company") for the quarter and six months ended 30 September 2015, attached herewith, being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreement issued by the Securities and Exchange Board of India ("Listing Agreement") except for the disclosures regarding 'Public Shareholding' and 'Promoters and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been reviewed by us. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 14 November 2015. Our responsibility is to issue a report on this Statement, based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement for the quarter and six months ended 30 September 2015, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement, including the manner in which it is to be disclosed, or that it contains any material misstatement.
